

ABOUT OUR PROGRAM

Our PreK program is certified through the State of Maine.

Doors to the classroom open 15 minutes prior to the start of the session.

Each class holds only 10-12 spots in order to ensure a small teacher to student ratio.

Each program's curriculum builds on itself so that students are well prepared for the next grade level.

After care is available on select days for Kindergarten only.

Windham Christian Academy admits students of any race, color, and national or ethnic origin.
