PreK Program (3 year old)	\$2,310 ~ \$210 month
PreK Program (4 year old)	\$3,300 ~ \$300 month
Kindergarten-6th Grade	\$5,850 ~ \$532 month
7th-12th Grade	\$6,100 ~ \$555 month

Any additional costs throughout the year are in programs where participation is optional such as athletics, our hot lunch program, and field trips.

In Maine, the average cost to educate a public school student is \$12,500. In an effort to keep tuition affordable, what we charge does not cover all the costs associated with running a school. Therefore, it is asked that parents participate in fundraisers throughout the year, either through volunteering or financial support.

Scholarships Available: Families may apply for ONE of the following options.

- **Tree of Life Membership:** 25% off tuition to tithing members of Tree of Life Church. Members are those who are listed on the membership list and remain in good standing with the church for the duration of the school year for scholarship to apply.
- **Family Scholarship:** First child pays full price. Each additional student gets a 5% discount off of tuition.
- **WCA Ministerial Scholarship:** 25% off tuition to children of parents in full time ministry. Scholarship handed out at the discretion of the administration.
- **Staff Scholarship:** Staff members receive a discount off tuition for children.
- **Early Payment Scholarship:** Tuition paid in full on or before August 1st receives a 5% discount. *(This may be combined with one other scholarship, if applicable.)*

WCA Tuition Aid Program: Families who are unsure if they can cover the cost of a Christian education may apply for Tuition Aid. There is an application fee of \$30 for a third party to assess what payments a family may reasonably be able to make. That number is then brought back to the family for them to make an informed decision on if their family is willing to cover the adjusted tuition cost. PreK students are not eligible for tuition aid unless there are other full-time students in the family attending the Academy. *For more information or an application, please contact the school office. Applications will be accepted from March 1-March 31.*

BONUS:

Referral Credit: As a thank you for referring students, WCA will issue a \$300 credit towards your tuition balance for each new student you refer who enrolls and attends the academy.
