In case of inclement weather, delays and closures will be posted on the following news outlets: WGME, WMTW, and WCSH. We will also post on our school Facebook page and send a school wide email out. Because our students are commuters coming from many different towns, parents should use their own discretion in inclement weather should no official call be made.

Our lunch volunteers have created a wish list of things that would make Wednesdays a little easier for them. Please see the link below if you'd like to contribute. Thank you!!

KITCHEN REGISTRY
